

3rd November 2015

YELLOWWOODS

Dear Parents

I wish to thank you all for attending our concert on Thursday night and for being such a wonderful audience for our children!

The evening was thoroughly enjoyed by the children too and we congratulate them on their superb performance.

To our producers Mrs Catinka van Vlaanderen and Liezel Nel – congratulations to you and to our brilliant team of helpers led by Kate, Tanya and Colleen - thank you to all of you - for sharing your amazing talents and expertise and for all the dedicated and unbelievable hard work.

It's back to reality and serious work for staff and teachers and we truly believe that our senior students will be well prepared for their end-of-year exams this month.

Enjoy the beautiful rains and gorgeous spring mornings!

Kind regards
Mrs Trish Grobler
Acting- Head.

With Christmas fast approaching we appeal to our parents to please send non perishable foods to school, and help us to say a big thank you to all our drivers, ground staff, kitchen and cleaning staff who keep our campus looking great.

Sincere condolences from all of us at Yellowwoods to Andile Ngxoni on the sad passing of his wife Liliswa We would like Andile to know that we extend our kind thoughts and prayers to him and his family on the very sad loss of a wife, sister and dedicated mother. MHDSRIP.

Yellowwoods Horse Riding School 2016.

Mrs Veronica Beattie is taking over the Yellowwoods Riding School. Mrs Beattie has completed the South African National Equestrian Federation (SANEF) Instruction Level 2 as well as The British Horse Society Qualification and has been riding competitively for 22 years. All lessons will take place at Yellowwoods School during the sports time slot and will not only involve riding but will also cover theory on days when weather does not permit for outdoor sports.

Horse riding is an enjoyable hobby and sport for children, who learn to control and care for an animal, much larger than themselves. This can have a profound positive effect on a child's confidence. Simply being outdoors and enjoying the countryside will boost your child's general well being and act as a great stress buster.

There is a real sense of exhilaration and freedom when you ride, a feeling second to none!

For more information and Riding School agreement forms please contact Mrs Tanya Schenk in the office at 046 6840708.

Dates to

REMEMBER

- **Wednesday 4th November** - U/13 Inter Schools Cricket League Match at Shaw Park Primary.

- **Thursday 12th November** - U/11 Inter Schools Cricket League Match.
- **Friday 13th November** - Pre Primary Bakerman.

The annual Yellowwoods concert was another resounding success. This year the children performed to songs that represented colours in the Kaleidoscope of life. All the children thoroughly enjoyed their time in the lime light and wowed the audience with their amazing performances. A big thank you to Catinka, Liezl and all involved in Kaleidoscope 2015.
