YELLOWWOODS

Dear Yellowwoods Family

I had a very warm and emotional welcome on my first day at Yellowwoods when I found my desk full of greeting cards and my walls adorned with the most colourful and creative art pieces. Thank you to everyone involved – I could not have asked for a better reception!

I gained a renewed appreciation for family life while I worked away from home for the last ten years. My first impression of Yellowwoods is that the parents, staff and learners all form one diverse, happy family. I am grateful for the opportunity to become a part of this family and I look forward to facing all of the challenges and opportunities that will cross our collective paths in the future in the knowledge that we do not stand alone.

Kind Regards

ACADEMIC REPORT

A number of the teachers were fortunate enough to attend a very informative workshop on BUILDING CREATIVE WRITING SKILLS hosted by ISASA. They learnt a number of new skills and creative writing has taken on new meaning for all the children.

Yellowwoods is proud to announce a change in rugby format for the senior boys from the traditional tackle rugby to tag rugby. Tag rugby has been recommended by Bok Smart as a safer alternative for smaller private schools, as there is no physical contact and age groups can be mixed to help coaches fill teams. As most of our surrounding private schools only play this format the senior boys are enjoying the new challenge and change.
